Note: Australian Academic Solutions offers the qualifications listed above as possible pathways.

Course Structure

Theory—Knowledge—you will learn and be assessed on

Emergency Management Theory:

Warden:

- Purpose
- Emergency Planning
- Roles and Responsibilities
- Building search and Evacuation
- Evacuation
- Systems and Equipment
- Other types of Emergencies
- Bomb Threat
- Terrorism

Emergency Management:

- Manage Emergency Systems
- Emergency Prevention Measures
- Manage an Emergency Control Organisation (ECO)
- Managing Emergency Resources
- Training and Drills
- Manage the emergency

Practical demonstrations—Skills—you will be assessed responding to practical scenarios in a simulated workplace environment and expected to perform demonstrations:

- Conduct an emergency prevention inspection on the training facility using checklist
- Complete a hazard analysis for the scenario given by the Trainer
- Medical emergency in the workplace
- Fire Alert – Evacuation
- Bomb Threat

Student Support:

Australian Academic Solutions recognises that all people learn differently and acknowledge that some students may require additional support. Additional support will be provided.

Issuing certificates:

You will be issued with a Statement of Attainment upon successful completion of your training for this unit of competency provided you have supplied your Unique Student Identifier.

Unique Student Identifier (USI)

A USI must be supplied to AAS prior to us being able to issue a Nationally Recognised Qualification.

Tuition Fees:

Full Fee: **\$300.00**

Course Fees include course materials.
